REQUIRING ELECTION CITY, TOWN, STATE OFFICERS AT SAME TIME

The Herald will each day print one of the eight measures as they will appear on the state ballot for the special election to be held June 4th.

The sixth bill on the state ballot, with the respective numbers, is as follows:

- Submitted by the legislative assembly—Requiring election city, town and state officers at same time—Purpose—Amending article II of the constitution by inserting section 14-a, to require incorporation of cities and towns to hold their primary and general elections for the nomination and election of their elective officers at such times as the primary and general elections for the nomination and election of state officers are held; to provide for one election board to serve for both state and city or town elections; adjusting the terms of present incumbents of elective city or town offices to conform thereto, and requiring the enactment of such legislation as may be necessary to carry this amendment into effect.
- 310 Yes.
- 311 No.

Men Hurry to Enlist

TACOMA, Wash., May 7.—Because of the certainty of the draft, men subject to call under the conscription bill are hurrying to enlist here today. The army, navy and marine corps recruiting all week have examined an unusual number of applicants.

Everyone Should Drink Hot Water in the Morning

Wash away all the stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gassy, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well-known physician.

To keep these poisons and toxins well flushed from the stomach liver kidney and bowels drink before breakfast each day a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify and freshen the entire alimentary tract before putting more food into the stomach.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless, except a sourish twinge which is not unpleasant. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

To feel like young folks feel; like you felt before your blood, nerves and muscles became saturated with an accumulation of body poisons, begin this treatment, and above all, keep it up! As soap and hot water act on the skin, cleansing, sweetening and purifying, so limestone phosphate and hot water before breakfast, act on the stomach, liver and bowels.—Adv.

Flag Shortage Strikes Paris

PARIS, May 7.—America's entry into the war found Paris unprepared in American flags. Even before congress had debated President Wilson's war proposal, Paris department stores had to admit that the demand for the Stars and Stripes exceeded the supply. Hardly a street in the capital lacked one "Old Glory." Even small American flags to be worn on coat lapels were gone as soon as the larger ones. Frenchmen bought them as eagerly as Americans. Both are waiting for a new supply.

READING CIRCLE BOOKS ARRIVE

The Girl He Leaves Behind Him

You know whom this brave young graduate of West Point is going to fight for when he steps on French soil. He was one of the 139 graduates of West Point last week, and she went there to see him get his diploma. Both consented to pose for this photograph if their names would not be published, and that promise is hereby kept. She was the prettiest girl at West Point that day; everybody, including the graduate, admitted it, and when he reaches Europe he will be fighting for that girl in particular and many more like her.

VANCOUVER NOTES

VANCOUVER, Wash., May 7.—Vancouver in particular and Clarke county in general will pay homage to the baby this week. Plans are completed here today for "Baby Week," which opened this morning.

TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

We Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts In Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists have sold them lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Special Subscription RATES

Following its usual custom, the Herald will give its annual bargain month from May 1st to 31st, during which time the following cash prices for paid in advance subscriptions will prevail:

Delivered by carrier in Klamath Falls, \$4.00 per year.

Delivered by mail in Klamath County, \$3.00 per year.

As these rates only cover the cost of the print paper at this year's prices, we are not justified in going to any expense in canvassing the city or county, and all those desiring to take advantage of these special rates are requested to either bring in their subscriptions or send them by mail before the end of the month. The difference in rates in the county and city is due to the cost of two cents per week for carrier service.
